Health management during Menstrual time

Topic

Mam gave a lot of information about how the menstruation happens and the reasons behind it. The precautions and necessary practices for good hygiene were explained in very simple and effective manner. Thank you for the session!

Many new information in the session .

Interaction with students

Session must needed. You are doing great job.

Excellent session for girls session

Got to know the reason of different facts and the myths which we usually hear. Also got other information which can be passed on to others.

No suggestion. Overall session is very informative.

excellent

This type of sessions can be arranged more in the future. Also if possible, it can be kept open for boys too so that they too can get know about these things.

NA

This session was very useful but I would like to say one thing not only this type sessions but also various types of sessions also be arranged by college.
