### About Institute

**Walchand College of Engineering, Sangli (WCE)** established in 1947 and aided by the Govt. of Maharashtra is one of the oldest and premier institutions of India. WCE is affiliated to Shivaji University and is approved by **AICTE, New Delhi**. The institute is also given autonomous status by UGC since 2007.

With a rich history of over 75 years and a beautiful campus of over 90 acres, we are providing transformational learning experience in various disciplines of engineering. WCE offers 6 UG programs in Civil, Electrical, Mechanical, Electronics, Information Technology and Computer Science and Engineering and 10 PG programs. It also offers Ph.D. programs under Shivaji University, National Doctoral Fellowship of AICTE and under Quality Improvement Program (QIP) scheme of Ministry of Human Resource Development (MHRD).

### About RSC 2023

At Department of **Computer Science & Engineering and Information Technology, Walchand College of Engineering Sangli**, are active in promoting research in advances in CSE/ IT under the Association for Computing Machinery (ACM) India. In this series, the WCE-ACM chapter is delighted to announce its **7<sup>th</sup> Research Symposium on Computing (RSC 2023)** held on **7<sup>th</sup> November 2023** in association with **ACM India** and **IPR Cell, Shivaji University, Kolhapur**.

## Objective

1. To provide opportunity to researchers to present their research work and to enable them to interact with renowned / experienced researchers in CSE /IT.
2. To provide to its participants, independent and constructive feedback about their completed/planned research work for its further improvements.
3. To provide industry interaction to UG and PG students to get input from them for their projects.

## Research Activities Type

1. Invited Talks
2. Oral Presentation (Ph.D. Research Scholar)
3. Poster Presentation
4. Model / Prototype / Idea Presentation having Potential of IP

## Significance RSC 2023

Provide a unique opportunity to the researchers to present their research work and will enable them to interact with renowned and experienced researchers.
