About the Course

- This Honor course is a certification course offered by Department of Information Technology. This course provides a professional approach to the Software Product Management . The course will comprise of the Agile practices and techniques to conquer industry-inspired challenges
- Upon completing the capstone, you will be prepared to advance your career as a confident software product management professional.

Eligibility for Registration

- Student must complete 20 credits to earn Honor certification
- A student will be eligible to get Honors Engineering certification; if he/she completes an additional minimum 20 credits from approved Value added Professional Courses in the same domain as the parent domain
- Students – FY, SY, TY and B. Tech can take course for Honor certification
- The credits can be earned through approved MOOC's ONLY

Course Faculty
Mr. M. G. Rathi

Course Registration Fees
As per the Institute policy (Refer website)

Course Registration Link
(As per the Academic Calendar the link for registration will be published on WCE Moodle)

About the Institute

Walchand College of Engineering Sangli (WCE), established in 1947 and aided by the Govt. of Maharashtra, is one of the oldest and premier engineering institutions in India. With a rich history of over 70 years and a beautiful campus of over 90-acres, WCE, is providing transformational learning experience in various disciplines of engineering.

WCE offers 6 UG programs in Civil Engineering, Electrical Engineering, Mechanical Engineering, Electronics Engineering, Computer Science and Engineering and Information Technology and 10 PG programs in Civil Environmental Engineering, Civil Structural Engineering, Mechanical Heat Power Engineering, Mechanical Design Engineering, Mechanical Production Engineering, Electrical Power System, Electrical Control Systems, Electronics Engineering, Computer Science and Engineering, and Computer Science and Information Technology. It also offers Ph.D. programs under Shivaji University, Kolhapur, Doctoral Fellowship of All India Council for Technical Education (AICTE) and under Quality Improvement Program (QIP) scheme of Ministry of Human Resource Development (MHRD). At present, around 1900 students are studying in various B.Tech. programs, 480 students in M.Tech. programs and around 75 scholars are pursuing their Ph.D. programs.

WCE was selected for Technical Quality Improvement Program (TEQIP) of MHRD through NPIU in Phase-I in 2004 with funding of Rs. 8.54 Cr., for TEQIP-II with funding of Rs. 12 Cr. WCE was also selected for TEQIP-III in 2017 with a funding of 7.0 Cr. WCE has consistently performed well in implementation of these projects. Based on the performance, the institute has received additional funding of Rs. 0.7 Cr. in TEQIP-III.
