About the Institute

Walchand College of Engineering Sangli (WCE), established in 1947 and aided by the Govt. of Maharashtra, is one of the oldest and premier engineering institutions in India. With a rich history of over 70 years and a beautiful campus of over 90-acres, WCE, is providing transformational learning experience in various disciplines of engineering.

WCE offers 6 UG programs in Civil Engineering, Electrical Engineering, Mechanical Engineering, Electronics Engineering, Computer Science and Engineering and Information Technology and 10 PG programs in Civil Environmental Engineering, Civil Structural Engineering, Mechanical Heat Power Engineering, Mechanical Design Engineering, Mechanical Production Engineering, Electrical Power System, Electrical Control Systems, Electronics Engineering, Computer Science and Engineering, and Computer Science and Information Technology. It also offers Ph.D. programs under Shivaji University, Kolhapur, Doctoral Fellowship of All India Council for Technical Education (AICTE) and under Quality Improvement Program (QIP) scheme of Ministry of Human Resource Development (MHRD). At present, around 1900 students are studying in various B.Tech. programs, 480 students in M.Tech. programs and around 75 scholars are pursuing their Ph.D. programs.

WCE was selected for Technical Quality Improvement Program (TEQIP) of MHRD through NPIU in Phase-I in 2004 with funding of Rs. 8.54 Cr., for TEQIP-II with funding of Rs. 12 Cr. WCE was also selected for TEQIP-III in 2017 with a funding of 7.0 Cr. WCE has consistently performed well in implementation of these projects. Based on the performance, the institute has received additional funding of Rs. 0.7 Cr. in TEQIP-III.

About the Course

This value added course is a certification course offered by Department of Information Technology. This course provides a hands on experience to designing web pages using different trending web designing technologies. Topics include: Introduction to HTML5, Java Script, Bootstrap etc. The course extends to design responsive and user friendly web pages designing. The course will also give guidance to implementing real time applications of web designing with database connectivity.

The course covers industry requirement technologies and topics about foundations and advanced features needed for professional web page designing.

This is course is approved for minor in "Web Application & Development".

Who can register?

Anyone who is interested but familiar with basic Programming skills.

Platinum Jubilee Year 1947-2022

Walchand College of Engineering
(Government Aided Autonomous Institute affiliated to Shivaji University)
Vishrambag, Sangli

Value Added Course
on

Responsive Web Design

1th October to 31th December 2021

Offered by
Department of Information Technology

Coordinators

Miss. A. M. Khot, *WCE, Sangli*

Glorious 75 Years of Quality Engineering Education

About the Institute

Walchand College of Engineering Sangli (WCE) was established in 1947 and aided by the Govt. of Maharashtra, is one of the oldest and premier engineering institutions in India. With a rich history of over 70 years and a beautiful campus of over 90 acres, we are providing transformational learning experience in various disciplines of engineering.

WCE offers 6 UG programs in Civil, Electrical, Mechanical, Electronics, Information Technology and Computer Science and Engineering and 10 PG programs. It also offers Ph.D. programs under Shivaji University, National Doctoral Fellowship of AICTE and under Quality Improvement Program (QIP) scheme of Ministry of Human Resource Development (MHRD). At present around 1900 students are studying in various B.Tech. programs, 480 students in M.Tech. programs and around 75 scholars are pursuing their Ph.D. programs. WCE is affiliated to Shivaji University and is approved by AICTE, New Delhi. The institute is also given autonomous status by UGC since 2007.

The students of this institute got placed in reputed Multinational and Indian companies such as Google, Microsoft, LinkedIn, Amazon, John Deere, Rakuten, Mahindra, TCS, Infosys and many other companies.

The Track Based Curriculum and Choice Based Credit System along with Value Added Professional and Life Skill Courses at WCE, enable students to choose appropriate path of their career.

VISION

To produce capable graduate engineers with an aptitude for research and leadership

QUALITY POLICY

To strive for excellence in academic and research and programmes in order to achieve proficiency in students by adopting continually improving standards to the learning process

MISSION

To impart quality education through demanding academic programmes

To enhance career opportunities for students through exposure to industry

To promote excellence by encouraging creativity, critical thinking and discipline

To inculcate sensitivity toward society and a respect for the environment

About the Course

This value added course is a certification course offered by Department of Information Technology. This course provides a hands on experience to designing web pages using different trending web designing technologies. Topics include: Introduction to HTML5, Java Script, and Bootstrap etc. The course extends to design responsive and user friendly web pages designing. Also, course will also give guidance to implementing real time applications of web designing with database connectivity.

The course covers industry requirement technologies and topics about foundations and advanced features needed for professional web page designing. This course is approved for "Web Application Development" Minor offered by IT department.

- To introduce concept of static web page designing
- To define dynamic web scripting
- To introduce concept of dynamic and responsive web pages

Course Contents

- HTML5
- Advanced CSS3
- Bootstrap
- Advanced Bootstrap
- Node JS and MySQL

Course Examination Scheme

Exam Type	Max Marks	Duration (min)
Lab-1	25	60
Lab-2	25	60
End Exam	50	120

Important Dates

Last Date of Registration: 30th September 2021

Course Start Date: 1th October 2021

Course End Date: 31st December 2021

Who can register?

Any engineering student with prerequisite as Computer competency, programming fundamentals

Bank Details

Bank Name   : Bank of India
Branch   : Vishrambag, Sangli
IFSC Code   : BKID0001507
Account No : 150710110000187
MICR Code : 416013154

Course Registration Fees

₹ 2300/- (Rupees Two Thousand Three Hundred only)

Trainers

Miss. A. M. Khot
