(President, SAIT)   **(Treasurer, SAIT)**

Mr. M. B. Narnaware   **Dr. S. P. Sonavane**

(Staff Advisor)   **(HOD IT)**

INDEX

1. <u>ABOUT SAIT:</u>

SAIT (Students' Association for Information Technology) is an association for students of IT Department. It was established in 2003. Here students of IT Department organize seminars, workshops, technical events and social activity to develop technical skills, communication skill, Presentation skills and general awareness.

2. <u>AIMS AND OBJECTIVES:</u>

- <u>To provide service to students.</u>
- <u>To introduce new technologies and ideas with the help of Club Service.</u>
- <u>To share knowledge and Project ideas.</u>
- <u>To improve communication skill and management skill through seminars and workshops.</u>

3. <u>EVENTS ORGANISED BY US</u>

- <u>TECHNO BUZZ</u>

  SAIT organizes the state level technical event every year. It develops good managerial and leadership skills amongst the managing committee. Basically it is the workshop organized for providing the knowledge of various trends of the technology.

- <u>GIM (General Interest Meet)</u>

  SAIT organizes a G.I.M. every year which is a formal welcome of the newly admitted first year IT engineering students of our college. We introduce them to our departmental club and members.

- <u>Weekly Club Services</u>

  We conduct weekly club services every Monday throughout the academic year which improves soft skills of the students.
  The content of the club service is as follows:
    - ❖ Technical development session.
    - ❖ Group building activity
    - ❖ Non- Technical development session

- <u>Alumni Meet</u>

  An annual alumni meet is arranged in the first week of January every year. Alumni and industrial relation officers (AROs) organize this event for the increasing the interaction of students with our alumni. It helps students to understand the changing scenarios in IT Sector.

- <u>Guest Lectures</u>

  We arrange guest lectures of prominent personalities from industries and alumni who have succeeded in various fields related to IT.

- TECH-NEX

SAIT organizes a mega event, it contains technical as well as non-technical Competition (Coding competition, Paper presentation and IPL Team bidding event). Students from nearby colleges participates in these competition. For each event there will be prize and certificates.

6. CLUB SERVICES IN SEM I

Topic Name	Date
1.WordPress	29/07/2019
2.Academics	26/08/2019
3.Cyber Attack	09/09/2019
4.html	23/09/2019
5.Basics of Operating System	30/09/2019
6.Web development	07/10/2019
7.wireless technology	11/11/2019

6. CLUB SERVICES IN SEM I

7. WORKSHOP

TECHNO BUZZ 2k19

DATE: 05/10/2019 AND 06/10/2019

CONTENTS: 1) Cloud Computing
2) Internet of Things
3) Hardware

8. CLUB SERVICES IN SEM II

Topic Name	Date
1.Networking	20/01/2020
2.Hacking	27/01/2020
3.Software Engineering	3/02/2020
4.Gps	10/02/2020
5.How Internet Works	24/03/2020
6.BlockChain	02/03/2020
7.3D printing	09/03/2020

9. MEGA EVENT IN SEM II

TECH-NEX 2k19

DATE: 30/03/2020 AND 31/03/2020

SUBEVENTS:
1) CODE-CRUSH
2) BID-TO-BUILD
3) CODE-SWAP

4) CODE-X
 5) PAPER-TWEET
