About Institute

Walchand College of Engineering (WCE), Sangli is one of the historical educational heritages in the state of Maharashtra. It was established in 1947, as 'New Engineering College' with only Civil Engineering Program. In 1956, the Institute was renamed as "Walchand College of Engineering". WCE is a preferred choice of students in the state because of its academic reputation and placement record. About 2500 students are currently realizing their dreams of quality engineering education leading to Graduate, Post Graduate and Diploma Qualification. The Campus is spread over 90-acres of land with serene surroundings. The institute has hostel accommodation for about 600 students (400 Boys and 200 Girls). The Institute has a record of 100% placement of eligible students for the past three years.

WCE is a State Government aided autonomous institute. The degree programs of the institute are affiliated to Shivaji University, Kolhapur and approved by All India Council for Technical Education. (AICTE). (UG, PG, Phd) Post autonomy, the institute has carried out various reforms to improve the quality of education.

The Institute was selected in 2004 for the Government of India scheme funded by the World Bank under Technical Education Quality Improvement Program (TEQIP). After successful implementation on TEQIP I, it is currently progressing under TEQIP II.

About Ajit Gulabchand Central Library

The spacious library of 50000 sqft, as state of art which has been constructed out of the generous donation given by Shri Ajit Gulabchand , the Chairman of the administrative Council of the college. The library holds a total collection of 103568 Books, (12886 Bound Volumes of Technical / Non-Technical Journals, Magazines, 37388 Book Bank Books)

collected for over the last six decades. It subscribes to 57 Technical, 10 Science and 11 General Journal / Magazines. The library also subscribes all e-resources i.e. e-journals and e-books suggested by AICTE for technical institutes. The Library issues more than 1300 Book Bank sets to the student including Social Welfare Free Book Bank Scheme for SC / ST scholarship holders. We have developed a resourceful digital library and it is available 24 x 7.

Resource Persons

- Mr.Kaushal Giri, Deputy Manager, Knowledge Centre , Export-Import Bank of India (EXIM Bank), Mumbai.
- Mr. Nilesh Shewale, Chief Librarian, Mahatma Education Society, PIIT, New Panvel, Mumbai.
- Dr. S.A.N. Inamdar, Librarian, A.G.C. Library, W.C.E., Sangli.

- Brochure with application form is available at www.walchandsangli.ac.in
- Application form needs to be forwarded by the librarian/students along with D.D. or before 10/02/2016.

About the workshop

DSpace developed jointly by MIT Libraries and HP labs is the software of choice for academic, non-profit and commercial organizations building open digital repositories. It is one of the most popular software available.

Koha is a fully featured, scalable library management system. Development is sponsored by libraries of varying types and sizes, volunteers, and support companies worldwide. Koha was created in 1999 by Katipo Communications for the Horowhenua Library Trust in New Zealand, and the first installation went live in January 2000.

The proposed workshop will provide opportunity to Librarian, Asst. Librarians and library staff to know the latest advances, need, scope, associated problems, measures to overcome them in the area of library automation and Digital Library Software

Workshop Participant

A maximum of **40** participants will be enrolled for the workshop on first come first serve basis.
