About Institute

Walchand College of Engineering (WCE) Sangli is one of the historical educational heritages in the state of Maharashtra. It was established in 1947, as 'New Engineering College' with only Civil Engineering Program. In 1956 the Institute was renamed as "Walchand College of Engineering". WCE is a preferred choice of students in the state because of its academic reputation and placement record. About 2500 students are currently realizing their dreams of quality engineering education leading to Graduate, Post Graduate and Diploma Qualification. The Campus is spread over 90-acres of land with serene surroundings. The institute has hostel accommodation for about 600 students (400 Boys and 200 Girls). The Institute has a record of 100% placement of eligible students for the past three years.

WCE is a State Government aided autonomous institute. The degree programs of the institute are affiliated to Shivaji University, Kolhapur and approved by All India Council for Technical Education. (AICTE). It has been granted Autonomous status and is functioning as an Autonomous Institute from academic year 2007-08. It now offers B.Tech and M.Tech degrees under autonomous curriculum based on semester pattern and grading system. Post autonomy, the institute has carried out various reforms to improve the quality of education.

The Institute was selected in 2004 for the Government of India scheme funded by the World Bank under Technical Education Quality Improvement Program (TEQIP). After successful implementation on TEQIP I, it is currently progressing under TEQIP II.

About Ajit Gulabchand Central Library

The spacious library of 50000 sqft. A State of Art which has been constructed out of the generous donation given by Shri Ajit Gulabchand, the

Chairman of the administrative Council of the college. The library holds a total collection of 96600 Books, (12000 Bound Volumes of Technical / Non-Technical Journals, Magazines, 32551 Book Bank Books) collected for over the last six decades. It subscribes to 62 Technical, 3 Science and 7 General Journal / Magazines. The library also subscribes all e-resources i.e. e-journals and e-books suggested by AICTE for technical institutes. The Library issues more than 1300 Book Bank sets to the student including Social Welfare Free Book Bank Scheme for SC / ST scholarship holders.

All reading material including Books, Bound Volumes of Periodicals, Dissertations and Soft Copy forms like CD's, DVDs etc. are included in the library database and operate a web base campus wide 24X7 digital library which provides access to all e-resources including OPAC to all readers.
