About Institute

Walchand College of Engineering (WCE), Sangli is one of the oldest and state government aided Engineering colleges in the state of Maharashtra. It was established in 1947, as New Engineering College with Civil Engineering degree programme and renamed in 1956 as Walchand College of Engineering. WCE is a preferred choice of students in the state because of its academic reputation and placement record. About 2500 students are currently realizing their dreams of quality engineering education leading to Degree, Post Graduate, Ph. D. and Diploma qualifications. The campus is spread over 90-acres of land with beautiful surroundings. The college has hostel accommodation for about 820 students (470 Boys and 350 Girls). The college has a record of 100% placement of eligible students for the past three years.

The degree programmes of the college are affiliated to Shivaji University, Kolhapur and approved by All India Council for Technical Education (AICTE). Walchand College of Engineering has been granted Autonomous status and is functioning as an Autonomous College from academic year 2007-08. It now offers B. Tech. and M. Tech. degrees under autonomous curriculum based on semester system and grading as followed in IITs. Post autonomy, the institute has carried out various reforms to improve the quality of education in the institute.

Walchand College of Engineering, Sangli was selected in 2004 for the Government of India scheme funded by the World Bank under Technical Education Quality Improvement Programme (TEQIP). The Institute has been granted a total funding of Rs. 8.54 crores under this scheme. The college has performed consistently high in implementation of TEQIP.

Walchand College of Engineering aims to be a world class institution. In 2009, WCE has commissioned world's leading design and planning firm HOK Design and Planning Services (India) Pvt. Ltd. HOK has master planned many University campuses in the US. The WCE Campus Master Plan is now in final stage. Under the leadership of Chairman Mr. Ajit Gulabchand, WCE aims to become a World class institute.
