(Government Aided Autonomous Institute)  
Vishrambag, Sangli. 416415

Ref. No.: WCE/Acad-Office/2023-24/Notice/09

**AY 2023-24 (Even Semester)**  
**Student Notice for giving choices of Open Elective 2 for TY B. Tech. (All programmes)**

Date: 11/12/2023

All Third Year B. Tech. students are informed that they should give options (choices) in preferential order for Open Elective 2.

**Student should note that:**

1. The number of options (N) will be equal to the number of courses allowed (Refer the tables given below).
2. They should not opt for the same open elective course for multiple preferences. If this is done, all their choices will be discarded and the default choice will be applied.
3. Maximum number of students for a course will be decided by the concerned department.
4. The allotment will be based on the CGPI of SY(or Recently available received from Exam Section) for students giving the choices. In case of equal CGPI, preference will be given to on a first come first serve basis.
5. It is binding on the students, who do not give the preference within the stipulated time, to accept the open elective allotted to them by WCE Academic Office.
6. Last date for giving choices is up to 16 Dec. 2023 upto 05.00 pm
7. In case of any query related to the reference CGPI used for the OE Allotment; submit your query application through department DAC till 16 Dec. 2023 upto 05.00 pm simultaneously submitting your choices through Google form with the given procedure. The final decision for such query cases will be taken in concern with the exam section.

**To give the choices, the students need to**

- Click on the option google form on the respective open elective.
- Select elective courses as per your preference order
- Give preferences 1, 2, 3.... N by selecting the open elective courses offered by other departments than the parent department (as per tables given below). e.g.: A student from civil engineering should not opt for the Open Elective courses offered by the civil engineering department. The students from CSE and IT should not opt for any course offered by CSE or IT department.
- Give choices for Open Elective 2 (for TY B. Tech)
- Once selected course will not be changed in any circumstances. Therefore, students shall be very careful while selecting the courses.

**Open Elective 2 (for TY B. Tech)**

Offered by Department	Course Code	Course Name	Allowed for students from
Civil	6OE309	Solid Waste Management	Mech, Elect., Eln., CSE, IT
App. Mech	6OE322	Maintenance and Rehabilitation of Structures	Mech, Elect., Eln., CSE, IT
Mechanical	6OE336	Basics of Automobile Engineering	Civil, Elect., Eln., CSE, IT
Electrical	6OE350	Industrial Automation	Civil, Mech, Eln., CSE, IT
Electronics	6OE364	Cyber Physical Systems	Civil, Mech, Elect., CSE, IT
Electronics	6OE365	Biomedical Engineering	Civil, Mech, Elect., CSE, IT
CSE	6OE378	Soft Computing	Civil, Mech, Elect., Eln.,
IT	6OE393	Fundamentals of Machine Learning	Civil, Mech, Elect., Eln.,
IT	6OE394	Remote Sensing and Geographical Information Systems	Civil, Mech, Elect., Eln.,
