

**AY 2023-24 (Odd Semester)**  
**Student Notice for giving choices of**  
**Open Elective 1 for TY B. Tech. (All programmes)**  
**Open Elective 5 for Final Year B. Tech. (All programmes)**

Date: 24/07/2023

All Third Year B. Tech. students are informed that they should give options (choices) in preferential order for open elective 1.

Also, all Final Year B. Tech. students are informed that they should give options (choices) in preferential order for open elective-5.

**Student should note that:**

1. The number of options (N) will be equal to the number of courses allowed (Refer the tables given below).
2. They should not opt for the same open elective course for multiple preferences. If this is done, all their choices will be discarded and the default choice will be applied.
3. Maximum number of students for a course will be decided by the concerned department.
4. The allotment will be based on the CGPI of SY (or Recently available received from Exam Section) for students giving the choices. In case of equal CGPI, preference will be given to on a first come first serve basis.
5. It is binding on the students, who do not give the preference within the stipulated time, to accept the open elective allotted to them by WCE Academic Office.
6. Last date for giving choices is up to 26th July 2023 upto 10.00 am
7. In case of any query related to the reference CGPI used for the OE Allotment; submit your query application through department DAC till 26th July 2023 upto 10.00am simultaneously submitting your choices through Google form with the given procedure. The final decision for such query cases will be taken in concern with the exam section.

To give the choices, the students need to

- Click on the option google form on the respective open elective.
- Select elective courses as per your preference order
- Give preferences 1, 2, 3... N by selecting the open elective courses offered by other departments than the parent department (as per tables given below). e.g.: A student from civil engineering should not opt for the Open Elective courses offered by the civil engineering department. The students from CSE and IT should not opt for any course offered by CSE or IT department.
- Give choices for Open Elective 1 (for TY BTech)
