10.21 CPI improvement

- i. A student in third and final year, and student who has passed final year B. Tech. shall be permitted to apply for CPI improvement provided his/her CPI is less than 6.50 (for students admitted before 2014-15)/6.75 (for students admitted after 2014-15) by the end of second/third/final year. Such students may apply for CPI improvement by re-registering for the course/s, of current academic year or immediately preceding academic year, in which the student has obtained DD/CD grade.  
[e.g. 1. A student in final year may apply for the course/s of final and third year. The student shall be permitted to appear for makeup examination in final year /re-register for the course/s of third year for CPI improvement.  
2. A student in third year may apply for the course/s of third and second year. The student shall be permitted to appear for makeup examination in third year /re-register for the course/s of second year for CPI improvement.]
- ii. Re-registration should be done as per schedule in academic calendar.
- iii. A student who has passed final B. Tech. shall apply for CPI improvement within 15 days after declaration of makeup examination result. He/she shall re-register for the course/s of final and third year in which the student wants to apply for grade improvement. Such students shall return all the concerned original grade cards to CoE.
- iv. If the grade obtained by the student at the improvement examination is improved, it shall be considered as the final grade. For such students new grade card shall be issued with a remark "grade after improvement" for that course/s in which grade is improved.
- v. No student shall be permitted to improve grades in courses like laboratory/seminar/mini-project/project.
- vi. A student shall be permitted to apply for CPI improvement by re-registering for maximum of five courses in an academic year.

## 2. Re-Examination

- 2.1. There shall be a re-examination for all courses (theory and laboratory) of all semesters, as per calendar. The re-examination shall be conducted normally within 30 days from declaration of ESE result.
- 2.2. The students with FF grade can appear for re-examination.
- 2.3. The students with XX grade can appear for re-examination, provided that he/she re-registers for the course/s, complete the requirements of the course/s before re-examination.
- 2.4. The student, who wishes to improve his /her grade, can appear for re-examination.
  - Grade improvement is applicable only for theory courses.
  - The grade improvement is allowed only for the current semester courses.
  - If the obtained grade is more than DD, the grade awarded will be one level lower than the obtained grade.
  - If the grade obtained is less than the previous grade, then the grade shall be retained.
- 2.5. The re-examination for a theory course shall be of 100 marks and shall be based on all modules in the syllabus. Therefore, the grade shall be calculated based on performance in re-examination only.
- 2.6. For re-examination of a laboratory course, ISE component (LA1+LA2+LA3) of student performance in regular semester shall be retained and re-examination shall be conducted for ESE component only.
- 2.7. Grade Boundaries of regular examination of the same batch shall be considered for award of grades.
- 2.8. For re-examination, the actual grade awarded in that course will be one step lower to the grade obtained in that course.
