

For → TY(Diploma), UG & PG Students/Staff of any Faculty
(RS, GIS & GPS Course)

Now-a-days, Remote Sensing (RS), Geographical Information System (GIS) and Global Positioning System (GPS) is one of the emerging and challenging interdisciplinary field.

Our institute is organizing an EDUSAT Based Distance Learning (Live) Certificate Programme on '**Remote Sensing, Geographical Information System and Global Positioning System (RS, GIS & GPS)**' of three months duration (12th Aug to 30th Dec 2009) commencing from 10.08.09 in our CCF facility between 04.15 pm – 05.30 pm daily on working days. The counseling sessions on theory and practical will be arranged on Saturday. The course duration may slightly change according to IIRS directives.

The course is being sponsored by National Natural Resources Management System (**NNRMS**) and Department of Space (**DoS**), Government of India (GoI) and being conducted at Indian Institute of Remote Sensing (**IIRS**), Dehradun.

The course will be conducted in 4 Modules of total 60 hrs duration as follows...

Module	Name of the Module	Duration in Hrs	Written Exam
1	Remote Sensing and Digital Image Analysis	21	100
2	Global Positioning System	06	50
3	Geographical Information System	21	100
4	RS & GIS Applications	12	50

The candidate has to register online (www.iirs-nrsc.gov.in) from 27.07.2009 and submit CV to course coordinator; admission will be authorized and confirmed by course coordinator. The course completion certificate will be awarded by ISRO-IIRS to the successful candidates.

For further details and queries, the interested candidates may contact Course Coordinator.
