Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

Students are required to give feedback for course regarding teaching process once in a semester. During course a course feedback is taken before midsemester examination. It mainly focuses on faculty/ instructor's performance in conducting a particular course. The purpose of feedback questionnaire is to gather information on the learning experience, as well as students' responses to the course and the faculty. The questions reflect subjective perceptions of students on various aspects of the course and the faculty involved in the course. The information provided is useful for the faculty as well as to the higher authorities in the ongoing efforts to enhance the quality of education at the Institute. The feedback is treated as confidential. The evaluation results are computed using the rating in a scale of 1 to 5 on parameters such as course organization, teaching effectiveness, counselling, assessment and overall performance from the responses of students and is communicated to the concerned faculty through the Head of the Department. The course teachers whose performance indicators are low, they are counselled by Heads of respective departments

2.3.2 – Students me	entoring system ava	ailable in the institu	ition? Give d	letails. (maximum 500 v	vords)	
Yes, the College has an independent system for student support and mentoring. The student support system comprises Mentor, Counsellor, HoD, Deans. The support system functions through several units such as Departmental Mentoring System, Guidance and Counselling Cell, Placement and Career Guidance Cell, Grievance Redressal Cell, and Committees for all co-curricular and extra-curricular activities. These committees include staff and student representatives and carry out the activities under the supervision of the Director. The mentor meets the students once in a semester in the group and individually as and when required. Such meetings enable the mentors to identify and help the academically weaker and economically needy students. The mentor also contributes to the physical, psychological, social and spiritual development of the students.

Yes, the college has a registered Alumni association. The Alumni association contributes actively to the welfare of the institution. The alumni meeting is organized once / twice a year by all the departments. Illustrious and prominent alumni are invited to deliver special lectures, motivating the students to go for higher education and to find the means for job opportunities. All the departments have the alumni as members of their BOS. Their valid suggestions are taken into consideration in designing and updating the curriculum. Recently Er. Abhijit Pawar (Sakal Group) donated Rs. 1 crore for infrastructure, staff and research development activities at the institute.

5.4.2 – No. of registered Alumni:

270

5.4.3 - Alumni contribution during the year (in Rupees) :

Dr. Sadanand Joshi (Mechanical-1972) a well-known expert in the petroleum industry and President of Joshi Technologies International, Oklahoma, USA was the Chief Guest. MP Shri Sanjay kaka Patil presided over the function. More than 270 Alumni from different branches attended this program. Annual Social Gathering (ASG-2017) successfully organized from 12-14th March 2017. Shri Niranjan Vayangankar, Deputy Inspector General of Police, Pune, and WCE, Alumni (CSE-1994) was the Chief Guest for the Inauguration.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The overall progress and development of the college is headed by the Governing body followed by the Director, Registrar, the Deans and the HOD's looking after the various portfolios. The College Development Committee, Finance Committee and the Academic Council are Intermediary but important bodies which mentor the Director in taking decisions regarding institutional development, financial issues and Academic related implementations, respectively. However, all major decisions are ratified by the Administrative Council.

6.1.2 – Does the institution have a Management Information System (MIS)?

Partial

6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Teaching and Learning	The classroom teaching is well supported by LCD projectors. The academic calendar is strictly followed and monitored for delivering course contents define by every course teacher in course delivery plan. We follow penalty based attendance system. We provide opportunity for students to learn at other institutes of repute through credit transfer scheme. There is scope for industry-oriented projects for both UG and PG students. We effectively use Moodle is effectively

	for effective teaching-learning. The inputs are taken from learners through feedback every semester and are used to address the issues related to teaching- learning. We conduct remedial classes during the semester and summer term. The industrial and field visits, expert lectures for contents beyond syllabus are organized regularly.
Curriculum Development	Regular revamping of curriculum through involvement of academicians and industry personnel. We monitor the process at various levels within department and institute. Outcome based, choice-based and student centric policies are given more thrust in curriculum design. More focus on professional and open electives. Internal academic audits with intra- departmental auditors are regularly conducted twice a year. We strictly adhere total credits and academic requirements recommended by AICTE model curriculum are strictly to for both UG and PG programmes. Students encouraged undergoing courses available on MOOCS.

6.2.2 – Implementation of e-governance in areas of operations:

7.1.7 - Initiatives taken by the institution to make the campus eco-friendly (at least five)

1. The rich vegetation within the campus facilitates a lower temperature (3-4°C) in the campus as compared to the external campus temperature. 2. The campus is well protected and is a home to various domesticated animals viz. Peacocks, rabbits, birds of various species and reptiles thus exhibiting balance in the ecosystem. 3. Use of Plastic is strictly banned in the campus. All the faculty members have been provided with steel bottles for water storage and the messes and canteen have been instructed to use non-plastic utensils. 4. The college campus has protected five perennial wells, supplying water for secondary uses 24/7 throughout the campus. 5. Solar Lighting on the streets within the campus is implemented. 6. The college caters to accommodate approximately 1000 students distributed over 8 hostels, a temple and about 30 families of the faculty/staff staying in staff quarters which are exclusively maintained by the college. 7. Buildings are provided with Rain Water Harvesting facilities protecting the water table on the campus. A well-maintained jogging track is constructed around the playground which is not only extensively used by the internal stake holders but as well is kept open for the local public in the mornings.

7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

 Student feedback on organization, assessment, and delivery of course contents is conducted twice a year to rate course teacher individually and relatively to other course teachers of that class, counselling and guidance to teachers, thereby providing an opportunity for teachers to address their strength/s and weakness/es. 2. Encouraging teaching and Learning through MOOCs, E-learning, flipped classroom concepts and classroom equipped multimedia and smart board. 3. Additional coaching for slow learners through remedial classes and Enrichment through interdisciplinary courses for advanced learners. 4.
 Facilitation of Internship and Sponsored projects in Industries to final year undergraduate students in their final semester and for eight months for Postgraduate students. 5. Annual purchase of high-end equipment and software for the development of state of art laboratories with additional virtual lab facility having remote accessibility. 6. Alumni Meet is conducted in 2nd week of January every year since 2012

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The Vision of this Institute is to 'Produce Capable Graduate Engineers with An Aptitude of Research and Leadership'. The measure of the successful implementation of the teaching-learning process and realisation of our vision, ultimately can be monitored by evaluating the successful outcomes of the graduates in terms of their placements, higher education or pursuing entrepreneurship. In this direction, this institute not only imparts excellence in technical knowledge, but also supports the students at various levels during their graduation to enhance their soft and professional skills. Incubation process is looked up by start-up and Innovation Cell to encourage student's participation in several Hackathons, Techfest's, nationally recognized competitions like Baja, EFFICYCLE etc. Students have proved their talents by winning various prizes in several events at national and international levels. The final measure of the success of the vision is the Placement record of the institute. Since Past four years, on an average, 80 of the appeared candidates are placed through campus with an average salary increasing from 3.5 lpa in 2016-17 to about 6.5 lpa in 2018-19. More than 80 companies all around the country visit the institute for placement, of which worth mentioning are LinkedIn, Rakuten, Dell, Hindustan Unilever, Atlas Copco, John Deere, Shapoorji Pallonji, LT etc. Since past two years, companies like Microsoft IDC, Directi, LinkedIn, D. E. Shaw, Rakuten have visited the campus and have selected graduates offering highest packages of 33 - 37 lpa. On the other hand, candidates who aspire for higher studies do not opt for placements but display their excellence in cracking exams namely, GATE, CAT, govt exams like UPSC, MPSC, IES and IAS as well. About 20 of the students on an average opt for pursuing M. Tech and get an entry to various IITs and NITs. Although the number of candidates choosing entrepreneurship is not clearly known, candidates who already have a family background of business and commerce either go for MBA or enter into their own business.
