

## Department Name: Computer Science and Engineering

1. Name of Faculty: Dr, Vivek Nivrutitao Waghmare
2. Date of Joining: 04<sup>th</sup> May 2023
3. Designation: Associate Professor
4. Qualification: Ph.D. (Computer Science & engineering)
5. Type of Appointment (Regular/Contract/Adjunct): Contract
6. Degree/Diploma: Degree
7. Email Id: vivek.waghmare@walchandsangli.ac.in
8. Contact Number: +91 - 9960737435
9. Research Area: Computational Science & High Performance Computing
10. Number of Publications: 25

Conference		Journal	
National	International	National	International

## 11. Sponsored Projects:

Sr. No.	Name of Project	Sponsoring Agency	Grant	Status (Ongoing/Completed)
Nil				

## 12. Biosketch (150 Words max.)

**Dr. Vivek Nivrutirao Waghmare** is a highly regarded academician and researcher for years. He completed his B.Tech. (Computer Science & Engineering) from Shri Guru Gobind Singhji Institute of Engineering and Technology Nanded, India in 2008, and his M.Tech. (Computer Science & Engineering) in 2010 from Walchand College of Engineering Sangli, India. He completed his Ph.D. (Computer Science and Engineering) at Swami Ramanand Teerth Marathwada University, Nanded, India in 2017. He has more than 13 years of teaching and research experience.

He serves many as a reviewer for many International Conferences and Journals. He works as an Editor for the International Journal on Emerging Trends in Technology (IJETT). He has published 4 patents and more than 27 research papers in different International Conferences and Journals indexed by Scopus, Science Citation Index (SCI), Web of Science, and UGC. He organized many National/State level FDP, STTP, and Workshop and receives more than 15 lacks research grants from different Government Funding Agencies to date.

He works as a Research Scholar at the High-Performance Computing Research Laboratory, Walchand College of Engineering Sangli, which received a research grant of approx. Rs. 50,00,000/-, from NRB-DRDO (Naval Research Board, Defence Research and Development Organization).

He is also the recipient of "The Excellence in Teaching Award", by the T. P. Foundation, Nashik. His recent research interest includes Computational Science and High Performance Computing.

He is one of the best researchers who balance academic and professional knowledge.
